Image 1
Hero product shot
Create a premium product photograph for Willow & Sage, a fictional natural skincare brand. Show a cream-colored skincare jar with a wooden lid among fresh green leaves and small white flowers on a warm stone surface. Soft natural sunlight, sage green and beige palette, realistic photography, clean composition, square image.

Image 2
Skincare routine
Create a realistic skincare lifestyle photograph of a woman gently applying a facial mask in a bright, natural bathroom. Soft daylight, warm neutral background, calm wellness mood, minimal styling, authentic skin texture, premium editorial photography, square image.

Image 3
Nature ingredients
Create a top-down product photograph featuring a cream skincare jar surrounded by fresh botanical leaves, aloe, lavender, chamomile, and natural textures. Warm cream background, soft daylight, elegant arrangement, premium natural skincare campaign, square image.

Image 4
Nature inspiration
Create a serene mountain landscape at sunrise with layered green hills, a golden horizon, light mist, and a peaceful natural atmosphere. Photorealistic, warm golden light, earthy greens, premium wellness campaign aesthetic, square image.

Image 5
Product flat lay
Create a professional flat-lay photograph of three fictional Willow & Sage skincare products: a serum bottle, a cream jar, and a cleanser tube. Arrange them with green leaves and small white flowers on a beige stone surface. Soft daylight, minimal luxury styling, square image.

Image 6
Wellness lifestyle
Create a natural skincare lifestyle photograph of a woman outdoors in gentle morning sunlight, eyes closed, enjoying a peaceful self-care moment. Green foliage in the background, natural appearance, warm colors, realistic editorial photography, square image.

Image 7
Texture closeup
Create an extreme close-up photograph of smooth ivory facial cream spread in elegant swirls on a warm beige surface, with a small fresh green leaf nearby. Detailed creamy texture, soft highlights, minimal composition, realistic macro photography, square image.

Image 8

Product detail
Create a close-up premium photograph of a glass serum bottle with a dropper, golden serum, a cream label, and subtle botanical accents. Soft natural backlighting, shallow depth of field, sage green and beige palette, realistic product photography, square image.

Image 9
Self care moment
Create a cozy self-care scene featuring a skincare jar on a wooden tray beside a folded cream towel, lavender sprigs, and warm candlelight. Calm evening atmosphere, natural textures, sophisticated editorial product photography, square image.

Image 10
Handshot
Create a realistic close-up of clean hands gently holding a cream skincare jar against a softly blurred botanical background. Natural skin texture, warm daylight, simple neutral styling, premium natural skincare campaign, square image.

Image 11
Nature and purity
Create a photorealistic field of white chamomile flowers among fresh green leaves in warm morning sunlight. Soft depth of field, gentle golden highlights, peaceful natural mood, clean wellness brand aesthetic, square image.

Image 12
Brand lifestyle
Create a lifestyle product photograph featuring a simple cream canvas tote bag with a small botanical leaf emblem beside fictional skincare products, fresh flowers, and natural linen. Warm outdoor light, sustainable lifestyle aesthetic, sage and beige colors, square image.
